<b>240392</b>	<b>1941</b>	<b>Cornet</b>	<b>Silver Tone Master</b>	<b>Guarantee dated 9/9/1941; Gladstone case [Patton]</b>

[This is the last example found using Silver Tone in two words. #240392 also has the Artist Special engraving going up the full bell and on the gold-plated body. The \$250 list price in 1940 would be equal to \$5,288 in 2022. This is also the last one I have found with the Gladstone leather case. These probably ended at WWII.]
